OEM Modules

	**SPICA S-9010** Versatile omni-directional barcode laser scan engine. Including industrial housing for direct build-in application. 20 scan lines, 1350 scans/s Dimensions 76 x 54 x 112mm (w x d x h) Multiple interfaces are available
	**Omega scan engine** Versatile omni-directional barcode laser scan engine. 20 scan lines, 1350 scans/s Dimensions 76 x 54 x 112mm (w x d x h) Multiple interfaces are available
	**MCR4** Mid range CCD scan module. 85 scans/s, 70mm max reading distance. Dimensions: 46.9 x 40.7 x 20.95mm (w x d x h) Multiple interfaces available.
	**MCR7** Long range CCD scan module. 260 scans/s, 280mm max reading distance. Dimensions: 70 x 54 x 28mm (w x d x h) Multiple interfaces available.
	**MCR8** Long range CCD scan module. 260 scans/s, 230mm max reading distance. Dimensions: 48 x 38 x 28mm (w x d x h) Multiple interfaces available.
	**MCR9** Long range CCD scan module. 135 scans/s, 280mm max reading distance. Dimensions: 59 x 46 x 20mm (w x d x h) Multiple interfaces available.
	**MCR11** MCR11 is the newest CCD bar code scanner module available. Scan rate 700 scans/s. Superb scanning performance competitively priced. Dimensions 38 x 30 x 20mm (w x d x h) Multiple interfaces available.

Retail card readers

	**BR- series Barcode slot readers** Barcode slot reader series, 90mm (BR300) or 150mm (BR800) housing. Red or infrared reading light. Beige or black housing. Choice of interfaces and connectors available. 100 – 1.000mm reading speed, bi-directional.
	**MR-series Magnetic stripe readers** Mag-stripe reader series, 90mm (MR300) or 150mm (MR800) housing. ISO 7810-7813 and JISJI compatible. Beige or black housing. Choice of interfaces and connectors available. 100 – 1.000mm reading speed, bi-directional.
	**MBR series Barcode slot reader modules** MBR1 (90mm) and MBR2 (100mm) are well designed barcode slot readers for OEM applications. Red or infrared reading light. Choice of interfaces and connectors available. 100 – 1.000mm reading speed, bi-directional.
	**MBRP OEM type barcode slot reader module** This MBRP is a well designed slot reader for OEM applications. Red or infrared reading light. Choice of interfaces and connectors available. 100 – 1.000mm reading speed, bi-directional.
	**MMR series Magnetic stripe reader modules** MMR1 (90mm) and MMR2 (100mm) are well designed Mag-stripe slot readers for OEM applications. Choice of interfaces and connectors available. 100 – 1.000mm reading speed, bi-directional.
